

CLINICARE®

CUTTING EDGE COSMECEUTICAL FORMULA

EGF EXTRA PURE line is for people with:

- skin sensitivity
- acne
- skin inflammations.

CLINICARE®
CUTTING EDGE COSMECEUTICAL FORMULA

EGF EXTRA PURE TONER, 100ml (NEW more advanced formula)

Special deeply hydrating and anti-oxidative anti-aging, skin rejuvenation toner for the treatment of sensitive and troubled skin

EGF EXTRA
PURE TONER

3% Bio Hyaluronic Acid
(30mg/ml LMWHA)
0,5% Houttuynia Cordata
(Anti-Inflammation)

Features

This toner provides sufficient nutrients and deep moisture to sensitive or troubled skin. A perfectly balanced concentration of active ingredients provides an antibacterial and antifungal effect. It stimulates the synthesis of collagen, activates the cells, suppresses the hyper secretion of the sebaceous glands, and removes inflammation. Contains a 50% higher concentration of hyaluronic acid per ml than a dermal filler.

Main ingredients

- 3% Hyaluronic Acid (30 mg/ml LMWHA)
- sh-oligopeptide-1 (EGF)
- Beta Glucan
- Portulaca Oleracea extract
- Centella Asiatica
- Citrus Grandis Fruit Extract
- Rosmarinus Officinalis Leaf extract

Ingredients:

Purified Water, Butylene Glycol, Portulaca Oleracea Extract, Hamamelis Virginiana (Witch Hazel) Extract, Hyaluronic Acid (LMWHA), Glycerin, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Magnolia Kobus Bark Extract, Citrus Grandis (Grapefruit) Fruit Extract, Thujopsis Dolabrata Branch Extract, Beta-Glucan, Allantoin, Methylparaben, Disodium EDTA, PEG-60 Hydrogenated Castor Oil, sh-Oligopeptide-1, Dipotassium Glycyrrhizate, Ethylparaben, Parfum

How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with with gentle, fingertip massaging motions.

CLINICARE®
CUTTING EDGE COSMECEUTICAL FORMULA

EGF EXTRA PURE ESSENCE, 50ml (NEW more advanced formula)

Highly enriched essence with skin rejuvenation and anti-aging properties to sooth sensitive or troubled skin

EGF EXTRA
PURE ESSENCE

2% Bio Hyaluronic Acid
(20mg/ml LMWHA)
Houttuynia Cordata
(Anti-Inflammation)

Features

Low Molecular Weight Hyaluronic Acid and natural plant extracts will make the skin smooth, well-hydrated and give it sufficient deep moisture. Its highly effective active ingredients rejuvenate the cells and perform a protective effect, increasing the resistance of cells to hypoxia, the action of toxins and other damaging factors, normalize the metabolism in tissues, increase the efficiency of absorption of nutrients in tissue and removal of metabolic products,

have a positive effect on functional activity of cells, and the metabolism in them. Contains the same concentration of hyaluronic acid per ml as a dermal filler.

Main ingredients

- 2% Hyaluronic Acid (20 mg/ml LMWHA)
- sh-oligopeptide-1 (EGF)
- Beta Glucan
- Portulaca Oleracea extract
- Centella Asiatica
- Citrus Grandis (Grapefruit) Fruit Extract
- Rosmarinus Officinalis Leaf Extract

Ingredients:

Purified Water, Butylene Glycol, Glycerin, Panthenol, Hamamelis Virginiana (Witch Hazel) Extract, Hyaluronic Acid (LMWHA), Beta-Glucan, Portulaca Oleracea Extract, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Magnolia Kobus Bark Extract, Citrus Grandis (Grapefruit) Fruit Extract, Thujopsis Dolabrata Branch Extract, Disodium EDTA, Xanthan Gum, Carbomer, Triethanolamine, Methylparaben, PEG-60 Hydrogenated Castor Oil, sh-Oligopeptide-1, Ethylparaben, Parfum

How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with with gentle, fingertip massaging motions.

EGF EXTRA PURE SERUM, 50ml (NEW more advanced formula)

Highly enriched skin rejuvenation and anti-aging serum for sensitive and troubled skin

Features

This serum has an anti-inflammatory and pore contraction effect, regulates the production of sebum and smoothes the structure of the skin. It softens the top layer of skin, and prevents comedo formation. It have anti-inflammatory, antiallergenic, healing and antioxidant effects, and it stimulates the synthesis of collagen, activates the cells, and suppresses the hyper secretion of sebaceous glands.

Main ingredients

- 0.5% Hyaluronic Acid (5 mg/ml LMWHA)
- Niacinamide
- Pseudoalteromonas Ferment Extract
- sh-oligopeptide-1 (EGF)
- Beta Glucan
- Portulaca Oleracea extract
- Centella Asiatica

Ingredients:

Purified Water, Glycerin, Butylene Glycol, Alcohol, Niacinamide, Phenyl Trimethicone, Squalane, Octyldodecanol, Pseudoalteromonas Ferment Extract, Citrullus Colocynthis Fruit Extract, Velvet Extract, Castanea Sativa (Chestnut) Seed Extract, Angelica Acutiloba root Extract, Rheum Palmatum Root Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Portulaca Oleracea Extract, Hyaluronic Acid (LMWHA), Hamamelis Virginiana (Witch Hazel) Extract, Triethanolamine, Centella Asiatica Extract, Polygonum Cuspidatum Root Extract, Scutellaria Baicalensis Root Extract, Camellia Sinensis Leaf Extract, Chamomilla Recutita (Matricaria) Flower Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Magnolia Kobus Bark Extract, Citrus Grandis (Grapefruit) Fruit Extract, Thujopsis Dolabrata Branch Extract, PEG-15 Glyceryl Isostearate, Carbomer, Methylparaben, Allantoin, Beta-Glucan, Xanthan Gum, Ethylparaben, Panthenol, sh-Oligopeptide-1, PEG-60 Hydrogenated Castor Oil, Parfum

How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with with gentle, fingertip massaging motions.

Main active ingredients of REFRESH, GLOW & PURE:

- **Hyaluronic Acid (LMWHA)**, a powerful humectant that helps retain moisture levels in the tissue and improve skin pliability and plumping to relieve fine lines and maintain healthy hydration levels.
- **sh-Oligopeptide-1**, If used continuously, EGF supports regular skin cell renewal, moisturizes skin, fights signs of ageing and improves skin color.
- **Sodium PCA**, Natural mineral salt used as a humectant. Increases the water content of the top layers of the skin by drawing moisture from the surrounding air.
- **Glycerin**, is used as a moisturizer to treat or prevent dry, rough, scaly, itchy skin and minor skin irritations.
- **Betaine**, is involved in cell protection against oxidative stress through the so-called “osmolite strategy”. Betaine has a good anti-inflammatory action on superficial inflammatory lesions.
- **Beta Glucan**, works indirectly by activating the production of an important part of the immune system called the Langerhan cells. The Langerhan cells are important both for over-all health and youthful looking skin, since they protect the body from major infections and provide a way to repair the day-to-day wear that comes from age.
- **Portulaca Oleracea Extract**, is a natural source of vitamins A, C and E, and the co-enzyme Q10, it is an excellent antioxidant, fighting premature aging and protecting the skin from environmental damage.
- **Arctium Lappa Root Extract**, helps protect against chronic tissue inflammation and stimulates collagen synthesis. Promote blood circulation to the skin surface, improving the skin quality/texture and curing skin diseases like eczema.
- **Scutellaria Baicalensis Root Extract**, it is apparently effective in treating acute and chronic dermatitis . It’s main function as anti-inflammatory, anti-oxidative and anti-irritant.
